## MEDICAL CONDITIONS / DIETARY REQUIREMENTS

Please use the box below to indicate any medical conditions (drug allergies, chronic diseases, etc.) or special dietary requirements (food allergies, vegetarian, etc.) about which ASP program directors should be aware.

## RELIGION

## CAMPUS and COURSE SELECTION INSTRUCTIONS (PLEASE READ CAREFULLY)

**FOR STUDENTS:** The ASP2015 will be held at three different locations (Togane Campus, Awa Campus, Sakado Campus) with each location following the same overall program schedule. Each location will offer different academic courses according to the expertise of faculty staff based there. Students will be placed at one location for the complete duration of the ASP2015. For logistical reasons changes to campus location will not be possible once the program has commenced. It is strongly advised therefore that applicants carefully read the guidelines below and check the ASP2015 website prior to making their course selections.

### **1. Location (Campus)**

First, applicants should select the location (i.e. campus) where they would prefer to attend the ASP2015. Please review the course list for each campus and rank your preferred campus in 1 to 3 order where “1” is your most preferred campus, “2” your second preference, and “3” your third preference. Please note that due to enrolment limits at each campus an individual’s selection does not guarantee a place at their most preferred location (campus). Applicants may be asked to join the ASP2015 at their second or third preferred location.

### **2. Courses**

During the ASP students take one course from the Group A list of courses and one course from Group B. Enrolment for courses will be limited, thus candidates should rank their preferred course in each group using “1” for their first choice, “2” for their second choice course, and “3” and “4” for the third and fourth choice courses respectively. This procedure should be repeated for each of the three campus, not only for your most preferred campus.

Please note, it is the responsibility of individual students to contact their local ASP coordinator in advance concerning any issues regarding transfer of credit from ASP courses. The Asia Summer Program Management Office (Japan) will be unable to furnish any enquiries on this matter. Contact information for local ASP representatives and full course descriptions can be found on the website at [www.josai.ac.jp/asp2015/](http://www.josai.ac.jp/asp2015/)

### **3. Program Selection**

For all locations the Asia Summer Program offers two programs (1) academic program, and (2) academic program + optional tour (additional fee applies). Clearly indicate the program you wish to join in the first item of this application.

**FOR ADMINISTRATORS:** The filling of courses will be made on a first-come, first-served basis according to the registration number on page one of this form (i.e. the order in which applications are received). Please ensure the first application received is assigned the number “1”, the second application number “2”, etc. Further information about registration details and cancelation policies can be found on the ASP website.

### LOCATION (CAMPUS) PREFERENCE

1. Togane Campus
2. Awa Campus
3. Sakado Campus
