

## **Library Ambassador Program**

Library ambassador program is an initiative designed to advocate for the perspectives of library users and promote library resources and services through faculty members' involvement. Library Ambassadors are faculty members who are nominated by related head of the department.

### **Objectives of the Program:**

- to suggest ways to improve the student experience within the DIU Library by participating in monthly meetings and focus groups
- to publicize and work at library events
- to promote library resources and services to students
- to organize workshop / training by the library with the help library ambassadors
- to visit the library frequently by the students with the help of library ambassadors
- to increase and develop search strategy by the users

### **Update Activities:**

DIU library has organized day long training on Aug 18, 2016 at Permanent Campus for faculty members who will be act as Library Ambassador to increase awareness about library resources and services among the students. This training covers: (I) DIU library: Overview (II) Explore Library Website (III) Discover DIU e-Library (IV) A-Z databases (V) Database Search Techniques (VI) Copyright Vs Plagiarism and (VII) OPAC: Overview.
