Notice (TE-MC)

Subject: Project, Industrial Attachment, & Comprehensive Viva

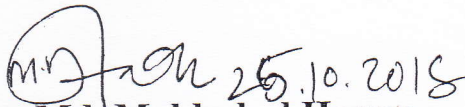

The Comprehensive Viva (TE-411) of Fall-2018 semester will be held from **November 28, 2018** (Wednesday). Defense of Project (TE407/417/4214) of Summer- 2018 & Industrial attachment viva (TE410/418/431) of Fall-2018 will be held after completion of Comprehensive Viva (TE-411/419/432). **Further details will be notified later.** In this regard concerned students are suggested to keep ready one copy of their Project/Thesis & Internship report **with softcopy and submit** to the DIU library after completion of respective viva exam. **Please note that, without proof of submission of softcopy we shall not process your result.**

Please note that from now on your thesis will be checked by plagiarism software which is available in library and if anything goes wrong then it will not be accepted. For details pls contact with your supervisor.

Both the project/thesis and industrial attachment report must be written as per DIU guidelines which is available in the DIU Forum or students can collect from their supervisors.

Students must clear their dues by November 26, 2018.

If anybody fails to clear his/her dues within the aforementioned date, his/her comprehensive viva, project presentation & industrial attachment will not be held.

Prof. Dr. Md. Mahbubul Haque
Head
Department of TE
